Mr James Hill  
408 First St.  
Lakeland Fla.

Dear James

We have just returned from the league meeting in Washington where we completed plans for baseball for the coming season. No doubt you read where we cannot use our buses, which means we will be traveling in trains this year.

The Eagles will train in Trenton N.J. This means you boys in the south should start getting in condition if you can. We will arrive in camp April 10th or 11th. I will send you the exact date, and address with your ticket.

I will be looking for an answer right away, whether to expect you.

Very Truly Yours

*Effa Mauley*

Sign and return your contract, and I will send the other money you asked for. About the ballplayers you spoke of, Lakeland is too far to send for rookies unless you have seen them. Get their names and addresses and all about them, and we will talk it over when I see you.
